3. Several years ago some residents proposed building a community center at the pool grounds. Those in favor noted it would be a community asset that could be rented out year round to residents for events independent of weather. Those against noted it would have to be funded by a special assessment and there was not a strong case of need provided. Should the idea of a community center be reconsidered?

Yes No

4. The HOA President proposed reducing the number of basketball courts from two to one at both locations in order to save on future costs. Should this idea be considered?

Yes No

5. To insure all areas of the community's responses are represented, please provide your block and street:

Circle your house number block (i.e. 3567 would be 3500) and write in your street name.
