Neighborhood Watch

By Bill Bailey

Welcome! Yes, Summer has arrived. More and more of us are outside working in our yards, running errands and going to work. This gives us the opportunity to observe what is happening in our neighborhood. If you see someone or something suspicious, please call the Police Non-Emergency telephone number. You do not have to give your name although the Police will ask for it.

REMEMBER:

Neighborhood Watch works very well when we all are observant to keep our neighborhood as safe as possible.

NOISE AND LIGHTS

The following products will

make your home less vulnerable to criminals:

1. **SOLAR LIGHT**
One outdoor light is solar-powered, as well as motion-sensitive. You can install it without any electrical hookup; it stores energy from the sun and turns a bright light on any moving object that comes within 75' of it at night. The light lasts for 3 minutes or as long as there is movement in the area.
2. **LOCKS AND HIDING PLACES**
Keyless locks eliminate the worry of losing your keys and are impossible to pick. They have a calculator-like keypad. You punch in your code number when you want to unlock your home's front door. It's easy

to change, if necessary.

3. **TAKE PRECAUTIONS**
When in doubt, outwit the criminal. Put a key in a phony rock outside your front door or hide your Rolex in a fake can of shaving lotion in the bathroom (from Brookstone).
4. **WARNING STICKER**
Put a warning sticker or sign from a security company on your home (without subscribing to the service). If that seems too obvious, the Sharper Image sells a counterfeit home security control panel that **even fools alarm installers.**
5. **HIDING PLACES**
Another clever hiding place for valuables is inside a hollowed-out book. A book safe costs about \$20 and can store cash, jewelry and other small items.

If you have reported a problem to the Police, it is also good to let your Neighborhood Watch coordinator know for follow-up.

This is my last newsletter for Neighborhood Watch. I hope someone steps forward to continue our work.

Social Committee

The Social Committee would like to congratulate Tabetha Jones who came up with the winning theme for the August 22, 1992, Family Pool Party. A TASTE OF THE TROPICS is the theme that Tab and all the young volunteers on the Decorations Committee will be presenting. A big "thank you" to all of the kids who volunteered such creative themes for our party.

Tabetha will be receiving a \$10 gift certificate for a pizza in recognition of her efforts. We would also like to congratulate our runner-ups: Kelly Hess, Michele Kovalcik and Kelli Mowatt for their dynamite ideas. They will each be receiving a \$5 McDonald's coupon book. Honorable Mentions to Jenni McGinnis, Rena McEntire and Jenny McEntire.

The Decorations Committee will soon be working on transforming our pool into a tropical paradise. Currently, the Decorations Committee includes: Jenni McGinnis, Michele Kovalcik, Melissa Jordana, Kelli Mowatt, Rich Rogers, Neil Sarinski, Kelly Hess, Eben Buxton, Beth Broderick, Casie McCarthy, Tabetha Jones, Jenny McEntire and Rena McEntire. We are in need of MORE YOUNG VOLUNTEERS.

PLEASE CALL ROSELLEN MATHEY AT 631-8628 ASAP, as we are planning our 1st meeting soon!

GROUNDS COMMITTEE

Swim Team

By Joanne Burger

Congratulations to the #1 1992 Stingrays!
Needless to say, we've had a great season and winning the Division Championship was a real bonus (we also won 5 age group trophies for high points). Everyone worked hard and I thank all of you. As of this writing, we still don't know about the All-Star Meet, but wait for next month's LINK for results.

A special thanks to all who helped with the AQUATHON - All the parents who donated food for the Pancake Breakfast and/or helped serve the swimmers when they finished their laps, and to the friends and neighbors who pledged their support. This is a successful and much needed fund-raiser and the swimmers deserve special kudos for their hard work.

When you are at the pool, see our Trophies and congratulate a STINGRAY! And by the way, if anyone is handy with woodworking, we need a trophy case.

Call me if you can help out!
Thanks again!
