Neighborhood News

The 1993 Swimming Pool Contract has been awarded to Virginia Pools. The community looks forward to a successful and enjoyable season.

The 1993 Grounds Maintenance Contracts are presently being reviewed. The Grounds Committee will be meeting with several of the contractors in February. A final decision will soon follow.

I would like to take this opportunity to introduce *Ms. Toni Koch*, who will become the new Managing Agent for the Armfield community. Toni is new to Armstrong Management; however, she has some extensive experience in the property management field. I will be transferring to various Maryland properties managed by Armstrong Management, but I assure you that I will be working closely with Toni to ensure a smooth transition. I have enjoyed working with you all over the last year and wish you the best in years to come.

Sincerely,
Bruce Hopkins

Happy New Year to all!

I realize that it's early in 1993, but it's not too early to start thinking about the Stingrays' 1993 Season!!!! I know some of you have not put swimming out of your minds completely. In fact, you may be reading this as you are waiting for your children to finish their swim practice. It's terrific to hear about all the kids that have continued swimming this Winter - whether it be for a few weeks or the whole Winter. When I see so many kids continue swimming, I feel we have come a long way toward one of the goals of the Swim Team (developing a love of the sport). It takes a lot of dedication on the part of the swimmers and their parents (probably more from Mom and Dad) but it pays off!

I would like for everyone to be thinking about the upcoming season. We will be having an organizational meeting in late February or early March. I do not have a date yet, but it will most likely be on a Wednesday evening. Watch for an announcement in the next LINK, or look for the signs at the neighborhood entrances. If you have any questions or suggestions, please call me at 437-8359. This year I will be getting even more help (Thank you, thank you.) Lin McCarthy will continue to be our Meet Manager and Mary Giel will be helping me with the administrative things I have done in the past. I will be giving you more information as time goes on, but for now, I just want to get you thinking about the season and deciding how YOU would like to help!

SCHEDULE CHANGE:

Traditionally, the ALL STAR MEET is the 1st Saturday in August. This year, that would be August 7. At the January League Meeting, it was voted to start the season one week early (June 19 will be the 1ST DUAL MEET) and the ALL STAR MEET will be on July 31. For those of you planning your Summer vacations, you will have the whole month of August now! (This early schedule doesn't apply to Wednesday night meets.)
